

Alive

My name is Ethan. I wake up on my bed this morning. I don't remember how I get here, so last thing I remember, I drove back from my friend birthday party. I feel tired and I need to take a shower and get ready to go to school. I have a glass of milk and an apple. I drive my old truck to school and I get in my class a little bit late today. I sit down and say hello to Brian, he's my buddy, so he's just ignore what I said. Miss Mary, she is an English teacher, so I raise my hand to ask her a question, she's just ignore me and talk to another student. I just feel frustrated and what happen today. Brian, Ms. Mary and another friend ignore me what I said. After class, I just go home and go to take a nap. I woke up after 7 pm., and I go downstairs get I see my parents in the kitchen and say hello to them, my mom is crying and my dad said Ethan is going to be alright, suddenly I saw the news teen missing on TV., it's picture of me on TV. What I'm dead or alive. Hello, Dad, Mom I'm here front of you, so they couldn't see me. I know I'm still alive.

I run out of the house, I have to do something. I go see Brian at home since I get there his dog "Bo", he's barking at me, it mean he can see me. Brian said stop stop, but he's still barking, so I just looking his eyes and I run out the house, I want "Bo" follow me, and he did and Brian also. I realize where my body was not that far from Brian's house. They follow me and they found my car and my body in the wood. Brian call 911. I woke up again in ICU. 2 days later.
